

Acknowledgment

Perhaps you sent a lovely card or sat quietly in a chair, perhaps you sent a funeral spray, if so we saw it there; perhaps you spoke the kindest words, that any friend could say, perhaps you were not there at all, just thought about us that day; whatever you did to console our hearts, we thank you so much whatever the part, may God bless each of you. Special thanks to Hospice Health Care Services for caring for our love one and special thanks to Union Hill Church Family

I'll Be Waiting For Your Arrival
I'm at rest so don't cry
It will get easier as time goes by
As my body lies here it's only a shell.
God has called home, so I say farewell now
I am happy and very content
For all things I have done wrong, I repent

You know and I know that it's hard on earth
So you should not cry at death, but at birth. to all
My friends as you pass by.
As you are now, once I,
As I am now, so must you be;
Prepare yourselves to follow me.

I have no worries, pain or fears
For I am with God so please dry your tears
I love you all and this is what
I want you to do,
Put God first in your life
I'll be waiting for your arrival.

Brother

We shared lots of years and had a whole lot of fun. But God has called you home to his son. I just can't believe it has ended this way, there were so many things. I just wanted to say. It's to late for that now it will just have to wait. Until the day I see you at the Heavenly gate. May your son rest well my beloved brother, but the day is not over, because we shall share another. Your tragic death, has left a big hole; but I'll try not to fret; you're now a free a free soul. So when times are great, and happy as such, I'll think of you my brother. I'll miss you so much. So good bye for now, my brother. We have not one regret you were a part of our life. We will never forget you.

Sister & Brothers

*Dad until we meet again
Those special memories of you
Will always bring a smile
If only I could have you
Back for just a little while,
Then we could sit and talk,
Again just like we used to do.
You always meant so very
Much and always will do too
The fact that you're no
Longer here will always
Cause me pain, but you're
Forever in my heart until
We meet again*

Children

Uncle

*You left us, but we was
Prepared for it all. Even
God granted you the time to
Speak with each one of us
And say good-bye.
But our hearts are with
You and will remain with you
Each and every day.
You taught us so many
Life lessons. You were all
Unc?? Our father, but most of
All our friend, although it
Will take some time to
Believe that you are
Actually gone. We know
That heaven where you
Rest now is your eternal
Home. And life will never
Be the same without you
Now that you gone. We will
Miss you and our love will
Never end*
