Grandmother

God looked around his garden and found an empty space
Then He looked down upon this earth and saw your tired
face. He put his arms around you and lifted you to rest
God's garden must be beautiful; He only takes the best.

As I sit in Heaven; and watch you everyday. I try to
let you know with signs. I never went away, I hear
you when you're laughing; And watch you as you
sleep. I even place my arms around you. To calm you
as you weep. I see you wish the days away. Begging
to have me home; So I try to send you signs so you
know you are not alone. Don't feel guilty that you
have life that was denied to me. Heaven is truly
beautiful. Just you wait and see. So live your life,
laugh again. Enjoy yourself, be free; Then I know with
every breath you take You'll be taking one for me...
