

Acknowledgments

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral spray, if so, saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you very much...

My Dear Grandfather

My dear grandfather, I truly care, You've always been, much more than fair. I'd like to wish you, only the best, With the dearest grandfather, I have been blessed. You planted a garden, A garden of heart. We were each other's strength right from the start. I promised you I would never leave you. So we never grew apart, Time has come to say goodbye, But still we will always remain one heart!

Tilda
