Daddy

Little did we know that morning that God was going to call you name. In life we loved you dearly in death we do the same. It broke our hearts to lose you for you did not go alone for apart of us went with you the day god called you home. You left us peaceful memories, your love is still our guide and though we cannot see you, you will always be at our side. Our family chain is broken and nothing seems the same, but as God calls us one by one, the chain will link again

Your sons and daughter
We love you daddy

In Loving memory of Our Granddaddy

Our greatest hero: The world has many heroes, some you'd know by name. They give their best at what they do, so they deserve their fame. But among all the heroes this world has ever had, there is not one admired more than our grandad/Great grandad. Perhaps unlike others he did not look for praise. Instead he encouraged others which is a sacrifice in this day and age. But he was everything and so much more that heroes should be. He was honest, loyal, and loving he was the root of our family tree.

Love

Your Grandchildren

Feelings

No more your face to look upon or your beautiful smile to see though deep inside my heart I know you still reside with me. When the sun casts down its golden rays that's when I see your smile then rain drops fall just like my tears and my heart aches for a while A rainbow in the sky appears with a beauty of its own and on the breeze I hear your voice. It whispers you're not alone
