## What Is A Mom?

A mom is one of life's best gifts, Someone to treasure all life through, She's caring and loving, Thoughtful and true, someone who is always a special part of your life. Someone who holds a prime place in your heart. She's a mentor a confident and also a friend, Someone on whose love you can depend. A mom always has your best interest at heart, She's someone so dear and so good, She's a blessing, she's a gift, She's a treasure like no other, She's someone that is truly wonderful. Wherever you go, and whatever you do, A mom's love will always see you through, A mom is truly invaluable, Indispensable and unforgettable. I wouldn't want anyone but you, And that's why I'm so grateful that life picked you for me.

Love,  
Your Children
