If We Could Bring You Back Again

If we could bring you back again, For one more hour or day,
We'd express all our unspoken love; We'd have countless things to say.
If we could bring you back again, We'd say we treasured you,
And that your presence in our lives, Meant more than we ever knew.
If we could bring you back again, To tell you what we should,
You'd know how much we miss you now, And if we could, we would.

Grandmother

God looked around His Garden and found an empty space. Then He look down upon this earth and saw your tired face. He put His arms around you and lifted you to rest. God's Garden must be beautiful. He only takes the best.
