*Perhaps you sent a lovely card, or sat quietly in a chair.
Perhaps you sent a floral piece, if so, we saw it there. Perhaps
you spoke the kindest words, or said a silent prayer. Perhaps
you gave a smile to melt the fears away. Or even let us know
God cared, to give us much more faith. Perhaps you were the
shoulder to lean on, when all the tears did fall, whatever you
did to console our hearts, we thank you so much whatever the
part.*
