Mum

If flowers grow in Heaven.
On land that's wild and free
Place them in my Mother's arms
And tell her they're from me.

Please tell her that I love her and miss her every day.
And tell her there is still so much that I would like to say
Because remembering her is easy,
She's in everything I do, I miss her so much everyday
But I know she is safe with you if tears could build a stairway
Made from all the pain
I'd walk to heaven and bring her back again
Lord please take care of her and I hope that she will see that
She was such a special person and a special mum to me.
From Your Sons

Angela The Angel

There's no more pain and sickness, you have overcome that TRAIL.
God knew your wings were ready, but we were still in DENIAL.
We wanted you here forever, even though we all only here for a WHILE.
Torn hearts and sad faces, but we remember your SMILE.
You have finished all your races, and completed all your TEST.
No more doctors needed procedures, no more family having to GUESS.
We constantly thinking why, but we know God knows BEST.
To see you at peace, was our main REQUEST.
You're only gone from our presence, but in our hearts you'll REMAIN.
We'll have to keep a smile on us, just to cover our PAIN.
Saying R.I.P. to you, still puzzles our BRAIN.
But we know you're an angel, because it was part of your NAME.
As the trumpets begin to blow, and the birds begin to SING.
We had to let you go, even though we knew the pain it would BRING.
Memories are here to stay, we'll always remember these THINGS.
Because our Angela the Angel has just gained her Wing.
Love Darius Sails

To My Husband

As I sit in heaven and I watch you every day, I try to let you know with signs that I never went away. I hear you when your laughing and watch you as you sleep, I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home, so I try to send you signs so you know you're not alone. Don't feel guilty because you have a life that was denied to me. Heaven is truly beautiful just you wait and see, so live your life laugh again, enjoy yourself and be free then I know with every breath you take you'll be taking one for me.

To My Wife

The moment that you died my heart was torn in two, one side filled with heartache, the other died with you. I often lie awake at night, when the world is fast asleep, and take a walk down memory lane, with tears upon my cheeks. Remembering you is easy, I do it every day, but missing you is heartache that never goes away. I hold you tightly within my heart and there you will remain. Until the joyous day arrives, that we will meet again.
