# In Our Hearts

We thought of you today.  
But that is nothing new.  
We thought about you yesterday.  
And days before that too.  
We think of you in silence.  
We often speak your name.  
Now all we have memories,  
And you picture in a frame.  
Your memory is our keepsake.  
With which we'll never part.  
God has you in his keeping.  
We have you in our heart.  
~Loving Children

Myrtle in a blink of an eye you were gone. It broke our hearts to lose you. You was our sister and mother. You gave us so much love. You took such good care of us. Never once did you complain about you pain or conditions. You left us so many beautiful memories. I thank God for given us such a wonderful sister, We are going to miss you. We know you are resting in God's arms.

~Loving Siblings

They say that times a healer but as time goes on, I seem to find it just as hard to face the fact that your gone. You'll never be forgotten and every day I shed a tear, but its only because I love you ad wish you were still here

*In Loving Memory Of My Beautiful Daughter*

*They say that time's a healer but as time goes on,  
I seem to find it just as hard  
to face the fact you're gone.  
You'll never be forgotten  
and everyday I shed a tear,  
but it's only because I love you  
and wish you were still here.

*In Loving Memory of A Wonderful Grandma*

*Because you're always thought about in such a special  
way because you always did so much to brighten up  
each day. And because you cared for others selflessly  
your whole life through, I say a little prayer each day  
especially for you. That heaven will protect you and  
will somehow let you know that grandma, you meant  
so much to me and that I miss you so and that I'll  
think about you as I travel on life's way and keep you  
safe with my heart forever and a day
